Subject: Please Oppose HB 4109 and Support the Compromise Amendments
Date: Friday, February 21, 2020 7:50:08 AM

Dear Chair Dembrow,

Oppose HB4109. Many farmers are using chlorpyrifos as part of a pest management program and there's no alternatives for this pesticide. Please follow the lead that Washington took and at least leave it as a tool for farmers.

Sincerely,
