

Dear Chair Holvey, Vice Chair Drazan, Vice Chair Warner, and House committee on Rules,

I, Natasha E. Ovchinnikov, am contacting you today asking you to please vote NO on HB4167. Heavy taxation and punishment by payment is not the best route to reduce carbon emissions in Oregon. Many, many alternative routes have been proposed to reduce emissions that will not severely affect the Oregon economy and will have a greater effect in reducing emissions and helping climate change. With current regulations, advances have already made a big difference, as emission levels are down 28% since 1990!

I urge you to please consider these issues when you cast your vote,

Thank you,

Natasha E. Ovchinnikov, Woodburn
