

Dear Chair Holvey, Vice Chair Drazan, Vice Chair Warner, and House committee on Rules,

Contacting you today to ask that you please vote NO on HB4005- the lock up gun bill.
This bill overturns my 2nd amendment-

“A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed.”

This bill most definitely infringes on my right to protect my family and how would my husband or I be able to protect our children , our family if our gun is locked up?

Please protect our rights and insure us that we can protect our family.

Thank you for your time and consideration,

Zinovia Berdogin
