

Hello,

My name is Bryce Henshaw and I am a student at Willamette University. Please pass HB4167!  
This is very dire! I believe climate change is the most important issue of my time and we can not wait any longer to take action. We are already too late. Do it for students like me who will have to deal with the consequences of not passing this bill. Please do everything you can to be on the right side of history!

Thank you,

-Bryce
