**Subject:** Please Oppose HB 4109 and Support the Compromise Amendments  
**Date:** Sunday, February 23, 2020 8:30:06 PM

---

Dear Chair Dembrow,

I support passage of HB 4109 with the 5 amendments for special use in case of an outbreak of insects that needs to be eradicated to protect the spread of pests. which could destroy the value of croplands.

Sincerely,

Diana olson
