To: Senate Committee on Health Care; [and many others].

Re: OPPOSITION to: [HJR 202]!

This is an extremely objectionable and very poorly constructed piece of Legislation.

"Health Care for All." Nice concept. I support it (being a disabled person-pain is my co-pilot).

Amending Oregon's Constitution to provide total funding of Health Care for all, siphoning off funds designated for Public Services; (Police, Fire, Libraries, Schools and whatever else I forgot to list) is not acceptable.

The Oregon Legislature-you better watch your combined steps. Trying to "sneak through complicated Bills" during the "short session" might just cause you to lose the "short session."

[HJR 202] has an enormous "Tax" implications requiring the wisdom of the "Voters" for authorization.

Using your elected positions for the furtherance of your political aspirations via [HJR 202]?

Nah, this couldn't happen. You wouldn't turn the Public's treasury into the Public's trough now would you?

[HJR 202], as written, is not a "dumb" idea; it is an idea on the dark side of stupid.

VOTE "NO" ON: [HJR 202]!

Respectfully submitted,
