EFFECT OF AMENDMENT:

Removes the requirement that funding allocation be made in proportion to the number of persons in each district according to the latest federal census. Clarifies distribution of state aid and commission rules.

BACKGROUND:

ORS 341.565 assigns the Higher Education Coordinating Commission (HECC) responsibility for recommending to the legislature any changes to the boundaries of community college districts. The Commissioners voted on December 12, 2019 to issue a Proposed and Final Order to transition a portion of Lake County from the Central Oregon Community College Service District to the Klamath Community College Service District. HECC staff held public hearings in the affected territories to engage the community throughout the process, and the Commission cited receiving broad support for shifting the territory from one district to another. The Commission's order is not final unless approved by the Legislative Assembly.

House Bill 4056-A would approve the Proposed and Final Order of the Higher Education Coordinating Commission making changes to the boundaries of the Central Oregon Community College Service District and the Klamath Community College Service District.
