Measure Description:

Requires Director of Department of Consumer and Business Services to amend state building code to create electric vehicle charging infrastructure requirements for new construction of certain buildings.

Government Unit(s) Affected:

Cities, Counties, Department of Consumer and Business Services (DCBS)

Analysis:

The proposed legislation has been determined to have

MINIMAL EXPENDITURE IMPACT

on state or local government.

While this individual measure has a “Minimal” fiscal impact, an agency may incur a net fiscal impact greater than minimal depending on the cumulative impact of all measures enacted into law that affect the agency.
