2 (A) Shall require the recipient to maintain the preparedness equipment.

6 (C) Shall specify that the office may conduct periodic inspections of the preparedness equipment
7 as described in paragraph (f) of this subsection.

8 (D) Shall specify that preparedness equipment distributed to the recipient remains the property

12 (E) May permit the recipient to use the preparedness equipment for any purpose, governmental

17 stated in the formation documents or bylaws of the organization.

18 (G) Shall require the recipient to take action or refrain from action as necessary to maintain
19 federal tax benefits related to any tax-exempt bonds that are used to fund the grant and to indemnify
20 the State of Oregon for any costs, expenses or liability due to loss of such federal tax benefits
21 caused by action or inaction of the recipient.

22 (f) The office shall conduct periodic inspections of preparedness equipment distributed or pur-
23 chased through the grant program to ensure that recipients are adequately maintaining the
24 preparedness equipment. If the office finds that any preparedness equipment is not adequately
25 maintained, the office may take possession of the preparedness equipment or require the recipient
26 to reimburse the office for the cost of the preparedness equipment.

27 (g) The office may transfer between recipients, dispose of or otherwise manage the preparedness
28 equipment as it determines is in the best interests of meeting the emergency preparedness needs of
29 the State of Oregon. If the office disposes of preparedness equipment for any reason, including sale

31 it receives from the disposal in the Resiliency Grant Fund established under ORS 401.552.

32 (4) On or before December 31 of each year, the office shall submit a report to the Legislative
