4 “(5) If the qualified individual conducting the assessment determines the
5 child or ward should not be placed in a foster family home, the qualified
6 individual shall specify in writing the reasons why the needs of the child or

10 The qualified individual shall specify in writing why the recommended
11 placement in a qualified residential treatment program is the setting that
12 will provide the child or ward with the most effective and appropriate level

1 “(2)(a) The motion for approval of the placement must include, at a min-

7 “(b) Notwithstanding paragraph (a)(C) of this subsection, if the inde-
8 pendent assessment is not completed at the time the department files the
9 motion under subsection (1) of this section, the department may file the mo-

25 whether placement of the child or ward in the qualified residential treatment
26 program:

27 “(i) Provides the least restrictive setting to provide the most effective and
28 appropriate level of care for the child or ward; and

29 “(ii) Is consistent with the child’s or ward’s case plan.

30 “(b) **In addition to the determinations under paragraph (a) of this**

1 subsection, if the motion is for approval of the placement of a child
2 or ward in an out-of-state child-caring agency that serves juvenile
3 offenders as defined in section 7 of this 2020 Act, the court may not
4 approve the placement unless the court finds that the child or ward's
5 placement in the out-of-state child-caring agency is the least restric-
6 tive setting available to meet the child or ward's treatment needs,
7 taking into consideration all of the following:
