Subject: Virtual Tour of Oregon State Hospital

Dear Chair Sanchez, Vice-Chairs Moore-Green and Nosse, and members of the House Committee on Behavioral Health,

Thank you so much for your interest in Oregon State Hospital. Unfortunately, we are unable to offer you a tour of our two campuses at this time, due to the COVID-19 pandemic. However, we do have several online resources to help you see inside and learn more about the care and treatment patients receive.

Here are links to the “virtual tour” of both our Salem and Junction City campuses, as well as some videos that show what daily life is like (pre-pandemic) for patients. The videos also feature some of the programs at OSH.

Hopefully, we will be able to welcome you to our hospital for an actual tour in the not-too-distant future. Please feel free to send me any additional questions you might have.

Sincerely,

Dolly Matteucci
Superintendent, Oregon State Hospital
