Southern/South Coast	\$81,000	3%	\$0.16
Statewide	\$1,615,000	54%	\$0.38

These are awards that have been made to the recipients, but may not have all been expended/drawn. For the small business program, region is assigned to the intermediary we allocate the funds to, not the end user (small business), with the exception of our \$19.9M of Round 5 direct awards which region of recipient is listed. While most awards are under executed contracts, some are not yet.

An additional \$8,094,089 was offered but declined in the Hospital program. These funds are not included.

Population data comes from the Portland State University Population Research Center's 2019 annual population estimate.
