

Oregon CUB

Updating Public Purposes

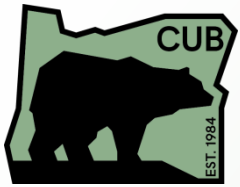

Bob Jenks
Executive Director, Oregon CUB

House Energy and Environment Committee
January 27, 2021

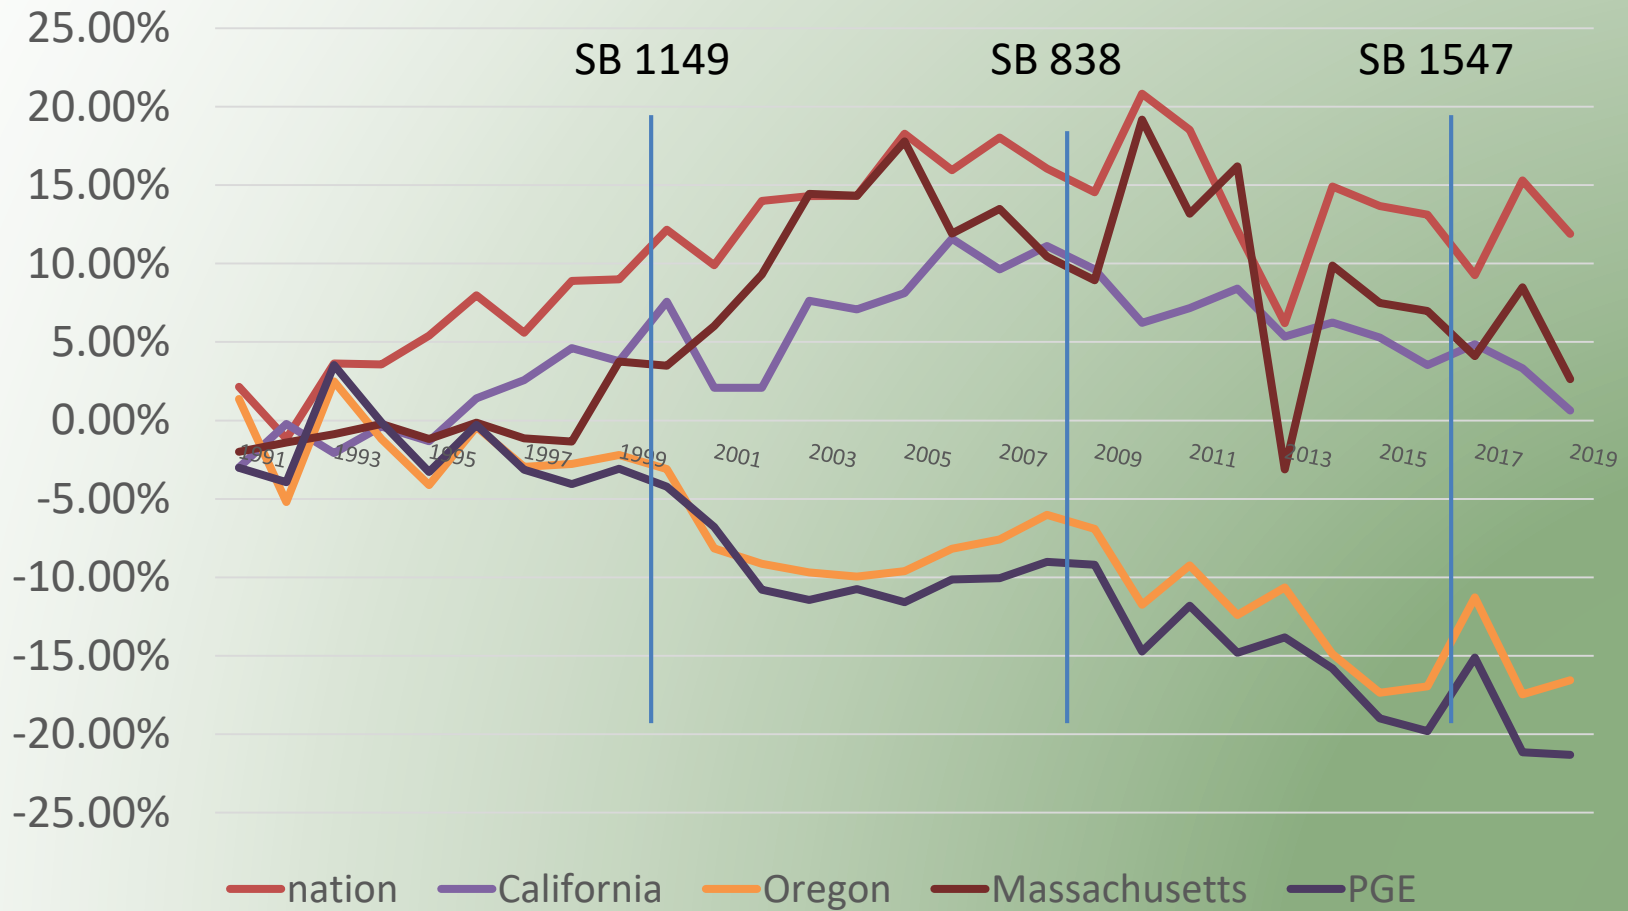

5 Programs that have been labeled public purposes

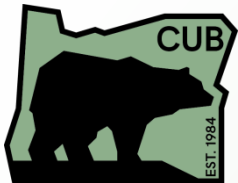

- Energy Efficiency
- Renewables
- Low Income Weatherization
- Schools
- Low Income

Energy Efficiency

Change in Average Residential Electric Usage Since 1990

Other Programs

Renewables – adding grid connection/resilience to criteria

Low Income Weatherization – modest increase from .35% to .55%

Schools and Low Income Housing – extending sunset to 2035 allows multi year projects
