**BACKGROUND:**

The Oregon Liquor Control Commission (OLCC) oversees the sale of alcoholic beverages and recreational marijuana to allow access to responsible adults while protecting Oregon’s public health, safety, and community livability. The OLCC advocates responsible alcohol consumption by managing and distributing distilled spirits, licensing and regulating businesses that sell and serve alcohol, and training and issuing permits for alcohol servers.

The OLCC issues licenses for the purposes of manufacturing, storing, distributing, and retailing distilled spirits, wine, cider, and malt beverages. The OLCC also issues licenses for alcohol sales at special events and permits for serving alcoholic beverages. The type of license an individual or business needs to obtain depends on the types of activities they will perform and where the business is physically located.

A Temporary Sales License allows the sale of distilled spirits, malt beverages, wine, and cider for drinking within a licensed area. It also allows for the sale of manufacturer-sealed containers of malt beverages, wine, and cider for drinking off-site of the licensed area. Temporary Sales Licenses that are not connected to an annual license are \$50 per day.

House Bill 2363 allows certain holders of Temporary Sales Licenses to sell alcoholic beverages at more than one location on the licensed premises.
