
Measure 110 Implementation

Presented to
Senate Committee on Human Services,
Mental Health and Recovery
January 28, 2021

Steve Allen
Behavioral Health Director

The logo for the Oregon Health Authority. It features the word "Oregon" in a smaller, orange, serif font positioned above the word "Health". "Health" is written in a large, dark blue, serif font. Below "Health", the word "Authority" is written in a smaller, orange, serif font. A thin blue horizontal line is positioned just above the "Authority" text, extending from the left side of the "H" in "Health" to the right edge of the "Authority" text.

Measure 110's Requirements for OHA

- Effective Date of December 3, 2020.
- Requires OHA to administer and support all aspects of implementation.
 - By February 1, 2021:
 - Temporary 24/7 Telephone Addiction Recovery Center (ARC)
 - Form Oversight and Accountability Council
 - By October 1, 2021:
 - 24/7 ARCs throughout the state
- Grants will be awarded to ARCs and other agencies or organizations to increase access to care; peers, treatment & recovery services as well as housing and harm reduction.

Oversight and Accountability Council

OAC Required Perspectives by Measure 110:

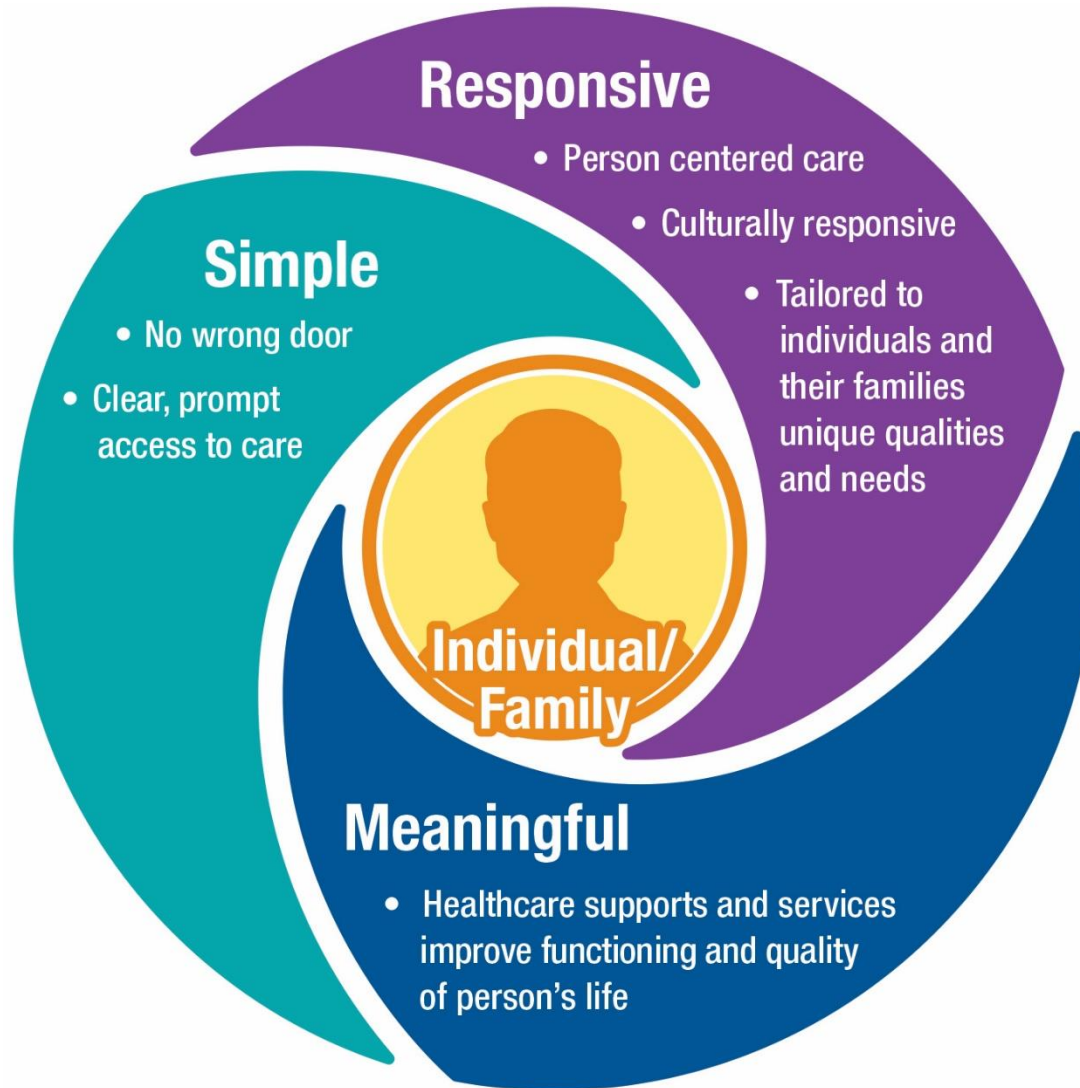

- People with lived experience of substance use or SUD
- Recovery peers
- Members of communities that have been disproportionately impacted by law enforcement related to substances
- Physicians specializing in addiction medicine
- Licensed Clinical Social Workers
- Evidence-based substance use disorder providers
- Harm reduction services providers
- People specializing in housing services for people with BH issues
- Academic researchers specializing in drug use or drug policy
- Mental or behavioral health providers
- Representatives of a CCO
- Non-profit advocates

Updates: Oversight and Accountability Council

- OHA received 181 applications
- Of those applications:
 - 100 people identified as persons of lived experience
 - 50 people identified as persons of color
 - Representation from the Tribes (enrolled members and Tribal Leaders)
 - Representation from the Coast, I-5 Corridor, Southern, Central, and Eastern Oregon
 - Representation from all perspectives required by the Measure
- Appointments will be made by February 1, 2020

Updates: Temporary ARC and Staffing

- Contracting with Lines for Life as a temporary Addiction Recovery Center (ARC) providing 24-hour triage.
- Developing OHA positions immediately needed to support the work of the Oversight and Accountability Council, alignment with the Alcohol and Drug Policy work and respond to our community service providers and stakeholders who are seeking information or ways to participate in the measure's work.

Implementation Challenges

- Aggressive Timeline
- Gap analysis/inventory
- System Integration
- Council establishment (structure, relationship building and orientation)
- Stakeholder engagement

OHA recommendations for successful implementation

- **Funding:** Maintain existing level of funding to services and supports. The Measure shifts marijuana tax dollars that currently pay for non-Medicaid BH services. Without replacing these dollars, existing services will be negatively impacted.
- **Service Array and Integration:** The measure does not include the full array of addiction treatment services, nor does it address integration of these services into the current healthcare system.
- **Workforce:** ARCs are meant to offer services 24/7/365. Trained credentialed workers will be required for assessments. Need qualified, culturally responsive workforce capacity.
