

**SB 88 STAFF MEASURE SUMMARY**

**Senate Committee On Human Services, Mental Health and Recovery**

---

**Prepared By:** C. Ross, Counsel

**Meeting Dates:** 2/4, 2/9

---

**WHAT THE MEASURE DOES:**

Corrects references to, and specifies, "community developmental disabilities programs" across a handful of statutory sections.

**ISSUES DISCUSSED:**

**EFFECT OF AMENDMENT:**

No amendment.

**BACKGROUND:**

In a handful of sections of the Oregon Revised Statutes (ORS) there is an incorrect internal reference to ORS 430.664. (ORS 430.664 requires an ongoing, meaningful role for persons with intellectual or developmental disabilities and their families, in advising the program or support service brokerage that serves them.)

Senate Bill 88 replaces the incorrect reference with the correct reference to ORS 430.620(1)(a) or (c), concerning the establishment of local community developmental disabilities programs.
