**ISSUES DISCUSSED:**

**EFFECT OF AMENDMENT:**

No amendment.

**BACKGROUND:**

The Youth Development Council coordinates educational and crime prevention services for school-age children through youth age 24 and oversees the Youth Development Division.

In 1999, counties were granted the ability to request waivers to work with children of younger ages than state law originally proposed. HB 2833 (2005) narrowed this to include only Deschutes County.

Senate Bill 54 repeals the waiver process provided to Deschutes County and modifies terminology and requirements for the Youth Development Council to coordinate with counties on crime prevention plans.
