

HB 2695 STAFF MEASURE SUMMARY

House Committee On Agriculture and Natural Resources

Prepared By: Allison Daniel, LPRO Analyst

Meeting Dates: 3/11

WHAT THE MEASURE DOES:

Modifies membership of State Marine Board (Board) to include seven voting members and two nonvoting members. Directs Governor to appoint voting members as follows: one member with academic or professional expertise in riverine ecology, fisheries biology or environmental conservation; one member who owns floating home; one member representing recreational boating organization or who has substantial and current experience as a recreational boater; one member representing water paddling organization or who has substantial and current experience as a water paddler ; one member representing recreational fishing organization or who has substantial and current experience as a recreational fisher ; one member representing a federally recognized Indian tribe in the state; and one member of the public at large. Directs Governor to select two ex officio nonvoting members from among any combination of the following: appointing the Director of Department of State Lands or director's designee, appointing the Director of Department of Environmental Quality or director's designee, or inviting representative of any federal government agency with statutory duties directly related to fish management. Directs Board to allow public testimony on matters pending before the board during the same public meeting in which the matter is considered and allows Board members to engage in substantive dialogue with the public for purposes of transparency and public engagement. Establishes that voting members of board appointed by the Governor are subject to Senate confirmation. Establishes that a majority of voting members of the Board constitutes a quorum for the transaction of business. Terminates current Board member terms of office on June 30, 2022 and allows for reappointment of a member whose office has been terminated on this date. Establishes staggered term ending dates for newly appointed members. Takes effect on 91st day after the 2021 regular session adjourns sine die.

EFFECT OF AMENDMENT:

No amendment.

BACKGROUND:

The Oregon State Marine Board (Board) is the state's regulatory agency for maintaining safe access to and use of Oregon's waterways, providing education and enforcement for the boating public, and helping address environmental stewardship. Board membership is currently comprised of five volunteer members who are appointed by the Governor and each serve a four-year term.

House Bill 2695 would modify membership of the State Marine Board to include seven voting members and two nonvoting members.
