

FISCAL IMPACT OF PROPOSED LEGISLATION

81st Oregon Legislative Assembly – 2021 Regular Session
Legislative Fiscal Office

Measure: HB 2958 - 7

*Only Impacts on Original or Engrossed
Versions are Considered Official*

Prepared by: Michael Graham
Reviewed by: Ben Ruef, Kim To
Date: April 13, 2021

Measure Description:

Allows pharmacist to administer a preexposure and post-exposure prophylactic antiretroviral drug in accordance with rules adopted by the State Board of Pharmacy. Directs the board to allow pharmacists to prescribe, dispense, and administer 30-day supply of preexposure prophylactic antiretroviral drug based on a negative HIV test. Requires insurers to reimburse pharmacists for services related to prescribing, dispensing, and administering a preexposure and post-exposure drug. Clarifies that the insurer reimbursement requirement is for in-network pharmacies. Exempts health maintenance organizations from the pharmacist reimbursement.

Government Unit(s) Affected:

Department of Consumer and Business Services (DCBS), Oregon Board of Pharmacy (OBOP)

Analysis:

The proposed legislation has been determined to have

NO EXPENDITURE IMPACT

on state or local government.
