

The background is a light blue gradient with several realistic water droplets of various sizes scattered across it. The droplets have highlights and shadows, giving them a three-dimensional appearance. The text is centered in the middle of the page.

WATER PROJECTS & COMMUNITY ENGAGEMENT

HOUSE BILL 3293

PURPOSES

- ✓ Authorizes agencies who fund water projects to make support available to local organizations and local governments for purpose of developing local community engagement plans for water projects.
- ✓ Requires agencies develop best practices related to equitable and meaningful participation in water project planning and decision-making process.
- ✓ Requires agencies to periodically coordinate to update and ensure uniform application of best practices regarding community engagement planning. (WRD leads rulemaking)

AGENCIES

- Department of Environmental Quality;
- Business Oregon
- Oregon Department of Fish and Wildlife,
- Oregon Health Authority;
- Oregon Watershed Enhancement Board; or
- Water Resources Department.
