BACKGROUND:

Presently, when a person applies for and receives an order setting aside a conviction, arrest, citation or charge, the court is required to send a certified copy of the order to the Department of Corrections (DOC) only if the person has been in the custody of DOC, but the DOC is responsible for processing set asides for some individuals who were not in DOC custody.

House Bill 2048 requires the court to provide DOC with a copy of all orders setting aside convictions.
