Summary of Expenditure Impact:

Analysis: The measure defines a diversity ratio, modifies definitions of competence and merit, and requires school districts facing budgetary constraints to prioritize teachers for retention based on seniority, unless a teacher being retained has more merit and the retention of the teacher maintains the school district's diversity ratio. Applies to contracts entered into on or after the measure's passage. Declares emergency, effective on passage.

The fiscal impact for this measure is indeterminate and won't be known until a school district or education service district begins collective bargaining and the district is challenged on competence or merit in personnel decisions.

There is not a fiscal impact for the Oregon Department of Education.
