#### **ISSUES DISCUSSED:**

#### **EFFECT OF AMENDMENT:**

-A8 Replaces the measure. Establishes minimum distribution for education service districts from Statewide Education Initiatives Account beginning July 1, 2021. Declares emergency, effective July 1, 2021.

#### **BACKGROUND:**

Currently, the statutes governing alternative education programs specify a payment calculation that is lower than the rates that apply to charter high schools in the state. Additionally, school district superintendents can unilaterally enter into contracts with law enforcement agencies to assign officers to schools. Senate Bill 225 A modifies the state's alternative education statutes, and requires that school boards consider any contract between a law enforcement agency and the school district.
