BACKGROUND:

The Create a Respectful and Open World for Natural Hair (CROWN) Act prohibits discrimination based on hairstyle and texture. First enacted in California in 2019, the act has been adopted by New York, New Jersey, the City of Cincinnati, and Montgomery County, Maryland, and is being considered by various other states. Oregon currently prohibits school and workplace discrimination based on race, but the applicable definitions do not explicitly include hair type, texture, or style.

House Bill 2935 A prohibits discrimination by including physical characteristics including hair type, texture, and style within the definition of race in school discrimination policies, interscholastic organization activities, and in unlawful employment practices, and prohibits school or employer dress codes or policies from disproportionately impacting members of a protected class.
