Wildfire Debris & Hazard Tree Removal Update

HOUSE SPECIAL COMMITTEE ON WILDFIRE RECOVERY

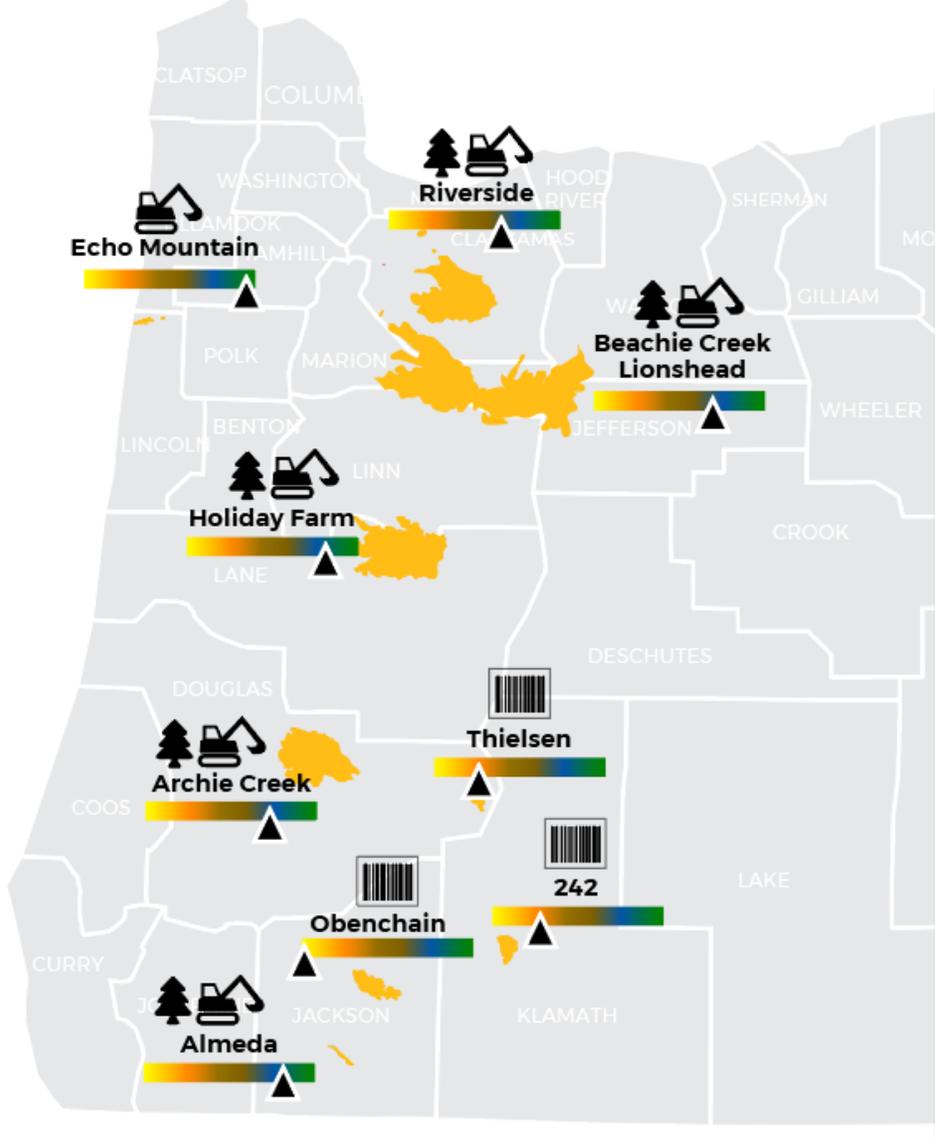

MAY 14, 2021

Weekly topline points | from the week of May 10-14

- **We have passed the halfway point for participating home sites cleared. +153 cleared sites completed this week for a total of 1,816 statewide** (out of 2,825 total home sites).
- **77,795 fire-damaged trees marked and 34,959 removed** of the more than 140,000 estimated statewide. Trees are marked through a series of reviews and quality control measures.
- **Independent arborist/forester contract finalized on Wednesday** to provide independent review of operation and additional evaluation oversight.
- **With significant progress continuing in all fire areas, Right-of-Entry deadlines will soon be announced** in Clackamas and Lane counties.
- **The hotline 503-934-1700** is always available to help answer questions and coordinate concerns. Property calls about debris removal and ROEs make up majority of calls.

1,816 home sites cleared throughout Oregon

1,429 properties and **2,825 home sites** currently participating in the Step 2 cleanup process

77,795 trees marked and ready to be cut

34,959 hazard trees removed

1,117 people in the workforce, **65%** from Oregon

156 firms performing cleanup, **141** are Oregon-based, **74** certified small businesses

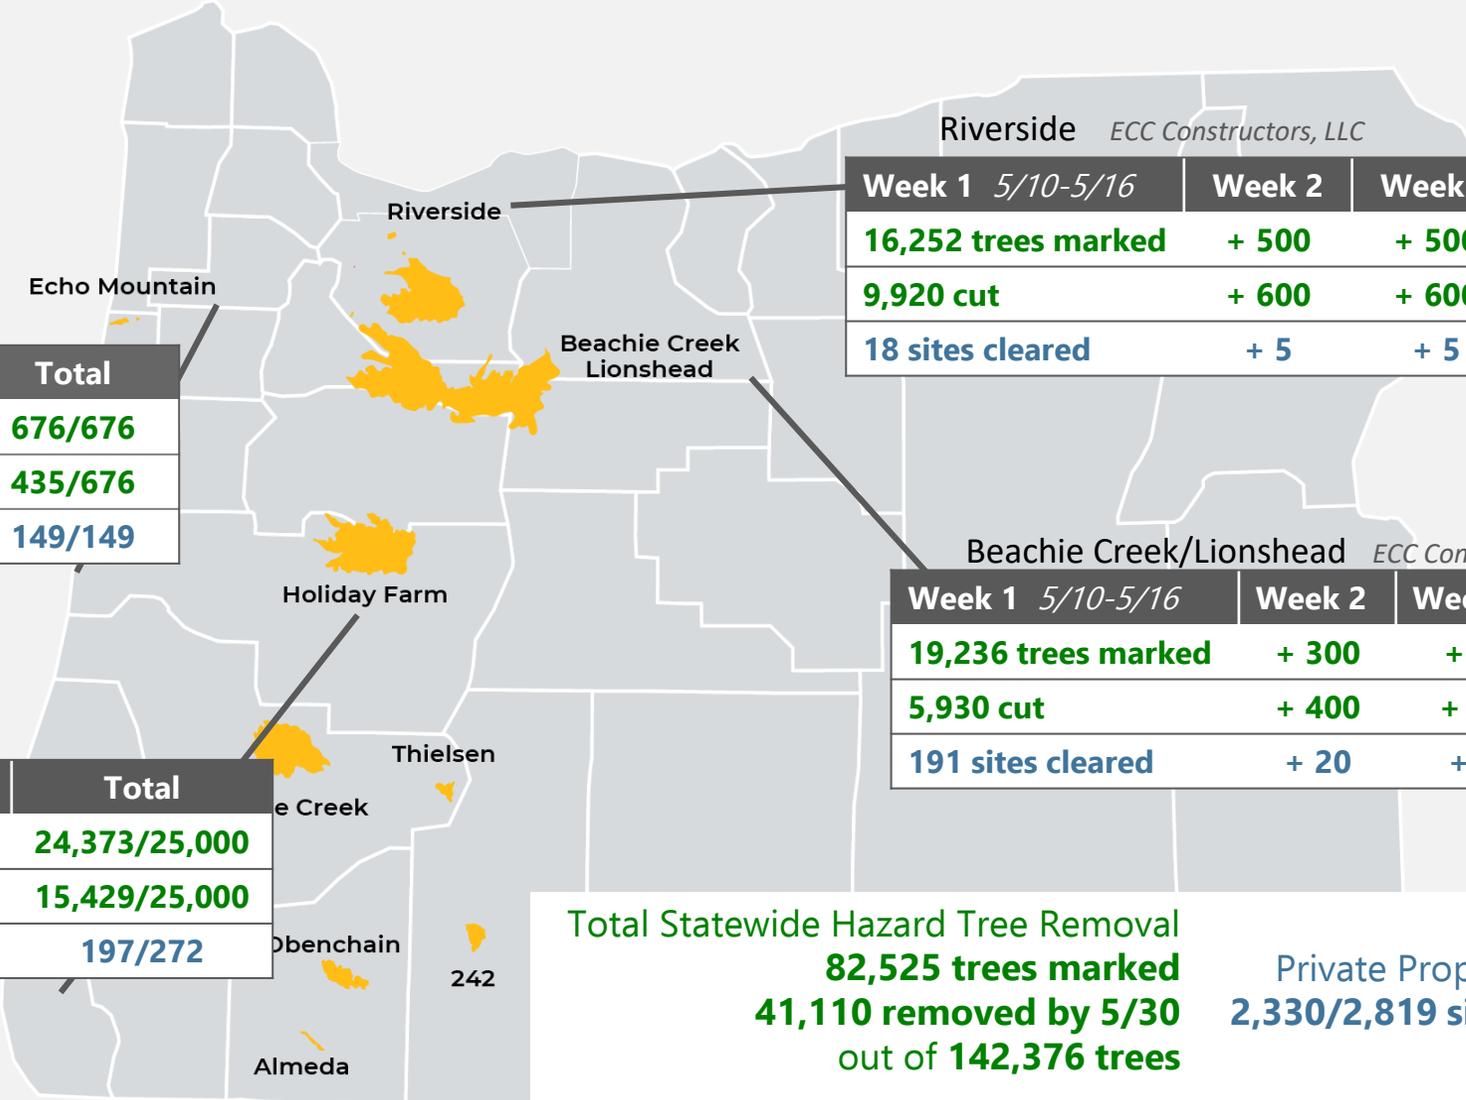

BY THE NUMBERS

As of Thursday 5/13/21

- **1,429 properties** and **2,825 home sites** participating through complete Right of Entry forms (this number fluctuates).
- **Number of crews working:** 96 contractor crews, 59 monitoring crews currently working.
- **Data dashboard** by fire and interactive status map: <https://bit.ly/3bMyqBl>
