Board of Medical Imaging fee bill

To: Ways and Means Full Committee
From: Education Subcommittee
Carrier: Representative McLain

SB 5522 is the fee ratification bill for the Board of Medical Imaging.

Statute stipulates that all new state agency fee adjustments adopted through administrative rule during the interim are rescinded by the end of the legislative session unless the fee is authorized by enabling legislation.

SB 5522 provides the enabling legislation necessary to approve fees adopted through administrative rule by the Board of Medical Imaging during the 2020-21 interim. Fees were adjusted to offset increasing administrative costs. These fee modifications are anticipated to generate \$581,760 Other Funds revenue during the 2021-23 biennium.

The Education Subcommittee recommends SB 5522 be reported out do pass.
