Subject: SB 222 - Relating to reimbursements for vision screenings of students
Work Session Recommendations

This measure clarifies who may conduct vision screenings and appropriates \$1.5 million General Fund for deposit in the Vision Health Account to make reimbursements for vision screenings provided by community providers or other vision screening services. Currently, vision screenings are reimbursed through Education Providers instead of direct reimbursement through Oregon Department of Education (ODE).

Final Subcommittee Action

LFO recommends that SB 222 be moved to the Ways and Means Full Committee.
