Subject: SB 316 – Relating to distillery retail outlets
Work Session Recommendations

Senate Bill 316 enacts a compensation formula into statute for distillers that sell product in as many as six tasting rooms. The formula results in these distillery retail agents earning a rate of 45% of the first \$250,000 sold from tasting rooms annually, and 17% on annual sales above \$250,000 if sold out of a tasting room.

The measure results in a fiscal impact of \$3.5 million to the statutory liquor distribution formula. Additional expenditure limitation needed to pay distillery agents is included in policy option package 110 of HB 5018, the budget bill for the Oregon Liquor Control Commission.

Final Subcommittee Action

LFO recommends that SB 316 be moved to the Ways and Means Full Committee.
