**To:** Transportation and Economic Development Subcommittee

**From:** Michelle Deister, Legislative Fiscal Office

**Date:** June 14, 2021

**Subject:** HB 3000, relating to cannabis  
Work Session Recommendations

Delta-9 tetrahydrocannabinol is the primary intoxicating component in cannabis and is regulated by the Oregon Health Authority (OHA) and the Oregon Liquor Control Commission (OLCC). The measure defines multiple terms specific to cannabis and cannabinoids. The measure authorizes OLCC to regulate artificially derived cannabinoids and directs OLCC, OHA and ODA, to adopt rules related to maximum concentration limits of THC, inspections, regulation and testing of products, licensing and handling.

This measure was previously heard in House Committee on General Government on 3/25, 3/30, 4/1 and 4/13 and in the House Committee on Rules on 4/19, 4/20, 5/14 and 5/27 and voted out with the do pass recommendation.

### **Recommended Changes**

LFO recommends adoption of the -B13 amendment, which includes conforming language, and provides the necessary expenditure limitation to the Oregon Health Authority, the Oregon Liquor Control Commission, and the Criminal Justice Commission to carry out provisions related to the measure.

### **Final Subcommittee Action**

LFO recommends that HB 3000 as amended by the -B13 amendment, to be moved to the Ways and Means Full Committee.
