HB 3011 is a non-appropriation measure that makes necessary changes in statutes and session law to support the 2021-23 legislatively adopted budget, to clarify the application of statutes for the budget, and to modify provisions relating to the use of funds. Specifically, the measure:

- Extends the sunset on the Veteran Educational Bridge Grant program
- Establishes two new judgeships in Deschutes County
- Repeals unneeded Lottery Funds expenditure limitation in HB 5014
- Increases allowed administrative costs and adds facility assessment requirements for the Office of School Facilities
- Expands uses of the Early Learning Account
- Allows accumulation of a reserve in the Fund for Student Success
- Expands uses of the Housing Acquisition Fund
- Adds project labor agreements and apprenticeship requirements for projects receiving America Rescue Plan Act funding

The measure has an emergency clause and is effective on passage.

The Capital Construction Subcommittee recommends HB 3011 be amended by the –4 amendment and be reported out do pass, as amended.
