SUMMARY

Directs Construction Contractors Board to adopt rules that require persons that lease construction vehicles in this state to maintain construction vehicles in condition that allows for safe and reliable operation of construction vehicles, to keep certain logs, records and documents and to provide or offer to provide training in safe and reliable operation of construction vehicles.

Requires board to inspect, at least once every two years, persons that lease construction vehicles in this state and assess level of compliance with board's rules. Permits board to charge costs of inspection to person that is subjected to inspection.

Requires contracting agency, as part of contracting agency's determination of whether bidder for public improvement contract is responsible, to check board's assessment of person that supplies construction vehicles for public improvement contract and require bidder to obtain construction vehicles only from person that achieves passing grade from board.

Declares emergency, effective on passage.
