### SUMMARY

Extends confidentiality requirements for child abuse records to records of abuse of child in care.

### OPEN GOVERNMENT IMPACT

Legislative Counsel has not adopted standards for drafting measures that establish exemptions from disclosure of public records.

This measure exempts from public disclosure records generated as a result of a child in care abuse investigation.

If those public records that could be subject to public disclosure were instead subject to mandatory disclosure under public records law, the public could gain additional information related to child in care abuse investigations.
