2021 Regular Session

Measure: HB 2568

Only impacts on Original or Engrossed
Versions are Considered Official

Prepared by: Cameron D. Miles
Date: 1/29/2021

SUMMARY

Prohibits local government regulation of operations of sidewalk vendors except in compliance with provisions of Act. Provides that local governments may not regulate certain aspects of operations of sidewalk vendors unless regulation directly addresses objective concerns about public health, safety or welfare. Permits regulation of certain operations of sidewalk vendors under specified circumstances.

Permits only specified punishments for violations of local government regulations. Provides that punishments for violations of local government regulations that do not comply with provisions of Act must be rescinded, reversed, commuted or set aside, as appropriate.

OPEN GOVERNMENT IMPACT

Legislative Counsel has not adopted standards for drafting measures that establish exemptions from disclosure of public records.

This measure prohibits public disclosure of the identification an applicant provides to a local government to secure a sidewalk vendor permit or license.

If those public records that could be subject to public disclosure were instead subject to mandatory disclosure under public records law, the public could receive information related to the identification submitted to the local government by an applicant for a sidewalk vendor permit or license.
