No amendment.

BACKGROUND:

The Oregon Youth Authority (OYA) is part of Oregon's juvenile justice system. OYA serves youth who are either on parole or probation in the community or inside secure facilities. OYA is responsible for youth ages 12 to 24 who commit crimes before age 18. They work with youth who are unsuccessful at the county level, who need more services than the county can provide, or who commit very serious crimes.

Senate Bill 132 would require the Oregon Youth Authority (OYA) to photograph and fingerprint a youth offender when the youth offender is committed and photograph files or fingerprints have not been provided. Modifies fingerprint and photograph records and file retention requirements.
