EFFECT OF AMENDMENT:

Clarifies expenditure limitation for Unclaimed Property and Estates Fund. Transfers moneys in the Unclaimed Property Revolving Fund to the Unclaimed Property and Estates Fund for net activity occurring between July 1, 2020 and June 30, 2021.

BACKGROUND:

Prior to 2019, unclaimed property and escheated estates were managed by the Department of State Lands (DSL) through the Unclaimed Property Program. The program required entities to report and remit certain tangible and intangible property to the state when the owner of such property could not be located or contacted after a certain period. The program also administered estates for people who died without a will or without known heirs. In 2019, the Legislative Assembly transferred these oversight duties to the Oregon State Treasurer with the passage of Senate Bill 454.

House Bill 2158 A makes statutory adjustments to clarify the role of the Oregon State Treasurer in overseeing unclaimed property and escheated estates, specifically in creating a fund structure distinct from the General Fund and clarifying requirements for fund transfers .
