BACKGROUND:

The Oregon Board of Medical Imaging (OBMI) licenses and regulates radiographers, radiation therapists, limited X-ray machine operators, nuclear medicine technologists, sonographers, MRI technologists, and Bone Densitometry. Currently, OBMI's authority to issue subpoenas is limited to requiring the signature of the board chairperson.

Senate Bill 100 allows the Board of Medical Imaging to issue subpoenas over the signature of the board executive director in addition to the board chairperson.
