### SUMMARY

Directs Oregon Health Authority, Oregon State Police, State Department of Agriculture and State Department of Fish and Wildlife to prepare report concerning Oregon's current framework for preventing, monitoring and responding to zoonotic disease. Directs agencies to present report to committee or interim committee of Legislative Assembly related to public health not later than December 31, 2021.

Directs State Fish and Wildlife Commission to establish and periodically update list of wildlife species and other scientifically recognized categories of wildlife that may not be imported, possessed, sold, purchased, exchanged or transported in this state due to potential for transmission of zoonotic disease that may compromise public health, native wildlife or agricultural interest. Authorizes commission to issue permits to bona fide scientific or educational institutions. Punishes violation by maximum fine of \$6,250.

Authorizes commission to institute civil suit for recovery of damages for violation.

Prohibits person from selling, offering for sale or otherwise participating in sale or offer for sale of wildlife that is not native to Oregon and is sold alive for purpose of human consumption. Provides that prohibition does not apply to sale, offer for sale or other participation in sale or offer for sale of livestock or shellfish. Punishes violation by maximum fine of \$6,250.

Requires commission, when adopting rules authorizing holding of wildlife, to consider public health risks, including risks of zoonotic disease transmission.

Declares emergency, effective on passage.
