### SUMMARY

Requires mental health care provider who assesses minor to be at imminent and serious threat of attempting suicide to disclose relevant information to parent, guardian or other individuals to engage in safety planning. Permits provider to disclose relevant information regarding minor's treatment and diagnosis to organizations providing minor's treatment support. Permits provider to disclose minor's treatment and diagnosis information to individuals and organizations involved in minor's treatment if minor does not object to disclosure. Permits provider to decline to disclose minor's treatment and diagnosis information if disclosure could endanger minor, is not in minor's best interest or would disclose information to individual who abused or neglected minor. Grants civil immunity to providers for making disclosures in good faith without minor's consent.
