

Open Government Impact Statement

81st Oregon Legislative Assembly
2021 Regular Session

Measure: HB 3204 - A

Only impacts on Original or Engrossed
Versions are Considered Official

Prepared by: Cameron D. Miles
Date: 4/9/2021

SUMMARY

Directs State Department of Fish and Wildlife to prepare report concerning Oregon's current framework for preventing, monitoring and responding to zoonotic disease. Directs department to present report to committee or interim committee of Legislative Assembly related to public health not later than December 31, 2022.

Directs State Fish and Wildlife Commission to update list of prohibited species that may not be imported, possessed, sold, purchased, exchanged or transported in this state due to certain risks to public health.

Authorizes commission to institute civil suit for recovery of damages for violation of rule related to list of prohibited species.

Prohibits person from selling, offering for sale or otherwise participating in sale or offer for sale of wildlife that is sold alive for purpose of human consumption. Provides that prohibition does not apply to sale, offer for sale or other participation in sale or offer for sale of livestock or food fish. Punishes violation by maximum fine of \$6,250.

Requires commission, when adopting rules authorizing holding of wildlife, to consider public health risks, including risks of zoonotic disease transmission.

Declares emergency, effective on passage.
