SUMMARY

Defines "adult use cannabis item," "artificially derived cannabinoid" and "tetrahydrocannabinol" for statutes related to marijuana and industrial hemp. Authorizes Oregon Liquor Control Commission to regulate artificially derived cannabinoids. Requires industrial hemp commodities or products intended for human consumption to be processed by licensed marijuana processor. Prohibits person other than licensed marijuana retailer from selling specified industrial hemp commodity or product to consumer. Requires commission to adopt rules establishing maximum concentration of tetrahydrocannabinol and other cannabinoids, including artificially derived cannabinoids, in single serving of cannabinoid product.

Directs State Department of Agriculture to administer Oregon Hemp State Program for production, processing and sale of industrial hemp. Requires department to conduct criminal records check on applicant for industrial hemp grower license. Directs commission, in consultation with department, to adopt by rule maximum concentration of tetrahydrocannabinol, other cannabinoids and artificially derived cannabinoids in single servings of industrial hemp product. Allows marijuana processor to transfer, sell or transport industrial hemp commodity or product to person that is not a marijuana processor, retailer or wholesaler if commodity or product meets specified requirements. Prohibits sale of industrial hemp commodity or product intended for human consumption to consumer unless commodity or product meets specified requirements.

Establishes Task Force on Cannabis-Derived Intoxicants. Requires task force to submit interim report not later than December 31, 2021, and final report not later than December 31, 2022, to interim committee of Legislative Assembly related to economic development.

Declares emergency, effective on passage.
