

Open Government Impact Statement

81st Oregon Legislative Assembly
2021 Regular Session

Measure: HB 3013 - A

Only impacts on Original or Engrossed
Versions are Considered Official

Prepared by: Cameron D. Miles
Date: 4/29/2021

SUMMARY

Transfers oversight and regulation of medical marijuana processing sites and medical marijuana dispensaries from Oregon Health Authority to Oregon Liquor Control Commission. Directs commission to establish by rule process to register medical marijuana processing sites and medical marijuana dispensaries. Establishes civil penalty for certain violations.

Directs commission to adopt rules to support marijuana plant diversity by allowing qualified marijuana producers to receive marijuana seeds from sources in state.

Directs State Department of Agriculture to adopt rules to require industrial hemp grower to report to department loss of crop or intention to not plant industrial hemp crop. Requires grower ordered to destroy or remediate specified industrial hemp crop to provide documentation to department of destruction or remediation. Directs department to take specified actions if person plants industrial hemp crop prior to applying for grower registration. Establishes civil penalty not to exceed \$10,000 applicable to certain persons for industrial hemp crop that contains specified tetrahydrocannabinol concentration.

Takes effect on 91st day following adjournment sine die.

OPEN GOVERNMENT IMPACT

Legislative Counsel has not adopted standards for drafting measures that establish exemptions from disclosure of public records.

This measure removes exemptions from public disclosure for records related to medical marijuana businesses that were submitted to the Oregon Health Authority under sections of the Oregon Revised Statutes that are being repealed by this measure.

If those public records that could be subject to public disclosure were instead subject to mandatory disclosure under public records law, information related to medical marijuana operations would more likely be made public.
