Summary of Revenue Changes

Funding for the Oregon Government Ethics Commission comes from an assessment equally shared between state agencies and local government entities. State agencies are assessed based upon their number of full-time equivalent positions. A portion of these assessment revenues originate as General Fund. Local entities are assessed based upon a formula connected to the Municipal Audit charge collected by the Secretary of State. Additionally, the Commission collects fines and forfeitures through the imposition of civil penalties. These revenues are transferred to the General Fund and are not used to support agency operations.

Summary of General Government Subcommittee Action

The mission of the Government Ethics Commission is to impartially administer and enforce Oregon’s government ethics laws. Oregon Government Ethics law, Lobbying Regulation law, and the executive session provisions of Oregon Public Meetings law are within the regulatory jurisdiction of the Commission.

The Subcommittee recommended a budget of \$3,323,513 Other Funds. The recommended budget is an 8.8 percent increase from the 2019-21 Legislatively Approved Budget and includes nine positions (9.00 FTE). The Subcommittee recommended the following package:

- **Package 099: Microsoft 365 Consolidation.** Microsoft 365 is being consolidated within the Office of the State Information Officer at the E5 level of service. This cost is built into the State Government Service Charge for every agency as a cost increase for the 2021-23

biennium. This package makes a corresponding reduction to the agency base budget in an amount equivalent to what agencies should be paying in the current 2019-21 biennium for Microsoft 365 at the E3 level of service.
