Summary of Revenue Changes

Funding for the Oregon State Board of Nursing is primarily supported by Other Funds revenues generated from examination, licensing, and renewal application fees charged to Registered Nurses, Licensed Practical Nurses, nurse practitioners, Certified Registered Nurse Anesthetists, Clinical Nurse Specialists, Certified Nurse Assistants, and Certified Medication Aides. The Board also receives matching federal revenue through the Department of Human Services (DHS) for regulating the nursing assistants program in Oregon in compliance with the Federal Omnibus Reconciliation Act of 1987. For the 2021-23 biennium, the Board is expected to receive a net of \$1.7 million in matching revenue from DHS.

Summary of Human Services Subcommittee Action

The Oregon State Board of Nursing protects the public's health, safety and well-being through the regulation of nursing practice and nursing education. The Board licenses Registered Nurses, Licensed Practical Nurses, Nurse Practitioners, Certified Registered Nurse Anesthetists and Clinical Nurse Specialists. The Board also certifies Certified Nursing Assistants and Certified Medication Aides.

The Human Services Subcommittee recommended a budget of \$21,084,201 Other Funds. The recommended budget is a 3.7 percent increase from the 2019-21 Legislatively Approved Budget (LAB). The budget includes 54 positions (53.90 FTE), which represents no change from the 2019-21 LAB. The Subcommittee recommended the following packages:

- **Package 099: Microsoft 365 Consolidation.** Microsoft 365 is being consolidated within the office of the State Information Officer at the E5 level of service. This cost is built into the State Government Service Charge for every agency as a cost increase for the 2021-23

biennium. This package makes a corresponding reduction to the agency base budget in an amount equivalent to what agencies should be paying in the current 2019-21 biennium for Microsoft 365 at the E3 level of service.

- Package 801: LFO Analyst Adjustments. This package increases the Board's Other Funds expenditure limitation by \$100,000 to provide sufficient limitation to pay for e-government transaction fees effective January 1, 2021. This fee, charged by NIC Oregon, would otherwise be paid by licensees.
