OPEN GOVERNMENT IMPACT

Legislative Counsel has not adopted standards for drafting measures that establish exemptions from disclosure of public records.

This measure exempts from public disclosure orders issued by the Taxpayer Advocate to the Department of Revenue to cease any action, take any action or refrain from taking action with respect to a taxpayer who is suffering or is about to suffer a significant hardship along with any related taxpayer information.

If those public records that could be subject to public disclosure were instead subject to mandatory disclosure under public records law, the public could receive information relating to department actions against taxpayers experiencing or about to experience significant hardships.
