Summary of Revenue Changes

The Office of the Governor relies on a combination of revenues from the General Fund, Lottery Funds and Other Funds. General Fund is the primary funding source for the Office. Lottery Funds support Regional Solutions activities with half the funding coming from general purpose Lottery Funds and the other half from the statutorily dedicated 2.5% of video Lottery Funds distributed to counties for economic development. Other Funds are primarily from state agency assessments, which support the Diversity, Equity and Inclusion program and the Business Equity program. Additional Other Funds revenues, which fund the Arrest and Return program, are from restitution from offenders and indirect Federal Funds.

Summary of General Government Subcommittee Action

The Subcommittee recommended a budget of \$27,684,313 total funds and 63 positions (63.00 FTE) for the 2021-23 biennium. This is a 1.9% increase from the 2019-21 legislatively approved budget. The recommended budget provides funding to continue current programs and services and provides additional resources for two new positions to support the work of the Governor’s Racial Justice Council, funding to continue mediation between representatives of the forest industry and environmental interests, and funding to complete the Wildfire Council survey work not completed in the 2019-21 biennium. The recommended budget includes the following packages:

Package 084, June 2020 Special Session. This package provides \$75,000 General Fund for second biennium funding for the mediation between representatives of the forest industry and environmental interests in accordance with a Memorandum of Understanding announced by the

Governor on February 10, 2020. This funding for the 2021-23 biennium was assumed when initial funding was approved in the June 2020 special session.

Package 090, Analyst Adjustments. This package adds \$598,516 General Fund for two permanent positions (2.00 FTE) to support the Racial Justice Council. The two positions include a Principal Executive Manager G (PEM G) and an Executive Support Specialist 2 (ESS 2). The PEM G position shall serve as the chief policy advisor to the council and organization lead in the Governor's Office in charge of developing, implementing, and integrating best practices and emerging best practices relating to racial justice. The ESS 2 position shall provide administrative support and research to the PEM G.

Package 099, Microsoft 365 Consolidation. Microsoft 365 is being consolidated within the office of the State Information Officer at the E5 level of service. This cost is built into the State Government Service Charge for every agency as a cost increase for the 2021-23 biennium. This package makes a corresponding reduction to the agency's budget in an amount equivalent to what agencies should have been paying in the 2019-21 biennium for Microsoft 365 at the E3 level of service.

Package 801, LFO Analyst Adjustments. This package re-appropriates unspent General Fund from the 2019-21 biennium to complete Wildfire Council survey work (\$176,680) and Forestry Mediation efforts (\$123,125).
