SUMMARY

Directs Department of Transportation to create emergency contact information form and make form available for individuals to voluntarily provide emergency contact information for inclusion in individual's motor vehicle record for police officers to use, during or after emergency situations, to contact those listed.

Directs department to conduct outreach program to educate applicants and general public about opportunity to include emergency contact information in motor vehicle record. Sunsets outreach program January 2, 2025.

OPEN GOVERNMENT IMPACT

Legislative Counsel has not adopted standards for drafting measures that establish exemptions from disclosure of public records.

This measure exempts from public disclosure emergency contact information that is submitted to the Department of Transportation for inclusion in an individual's motor vehicle record for police officers to use during or after an emergency situation.

If those public records were instead subject to mandatory disclosure under public records law, the public could receive emergency contact information included in an individual's motor vehicle record.
