Summary of Revenue Changes

House Bill 2266 makes a one-time appropriation of \$20 million General Fund. Of this, \$10 million will be used to establish the Disadvantaged and Emerging Small Business Loan Fund and the other \$10 million will be used to establish a loan loss reserve program for qualified lenders.

Summary of Transportation and Economic Development Subcommittee Action

House Bill 2266 creates the following two distinct programs at the Oregon Business Development Department:

1. Establishes a program to make awards to fund loan-loss reserves of qualified lenders for the purpose of increasing lending to business owners who currently lack access to capital to start or grow their business. Awards are to be provided to qualified lenders based on a competitive proposal process. A General Fund appropriation of \$10 million is included in the bill for the purpose of operating the program.
2. Creates a direct loan program for the purpose of making loans to certain eligible businesses that have been certified by the Certification Office for Business Inclusion and Diversity and have been referred to the Department by a technical assistance provider. The measure establishes the Disadvantaged and Emerging Small Business Loan Fund for the purpose of making the loans and appropriates \$10 million General Fund for deposit in the fund.
