Summary of Human Services Subcommittee Action

Senate Bill 428 extends the sunset on the 20-member Task Force on Universal Health Care from January 2, 2022 to January 2, 2023, and extends the due date of a statutorily required report from the 2021 legislative session to September 30, 2022. The Task Force is charged with designing the Health Care for All Oregon Plan, which is a universal health care system to be administered by the Health Care for All Oregon Board, which will be equitable, affordable, and comprehensive, and will provide high quality health care, be publicly funded, and be available to every individual residing in Oregon.

SB 428 appropriates \$516,768 General Fund and authorizes the establishment of two limited duration positions (1.26 FTE) to continue the work of the task force into the 2021-23 biennium. The Oregon Health Authority plans to hire two limited duration Operations and Policy Analyst 4 positions to continue coordinating project management, policy research and analysis, including conducting and producing complex research data. In addition to the staff to support the task force, the Subcommittee recommended \$150,000 for a consultant to assist with preparing the report and \$61,190 in services and supplies related to the hiring of the two limited duration staff.
