14 “**SECTION 4.** ORS 469.239 is amended to read:

15 “469.239. (1) Except as provided in subsection (2) of this section, a person may not install a new  
16 [*commercial clothes washer, commercial prerinse spray valve, commercial refrigerator or freezer, illu-*  
17 *minated exit sign, single-voltage external AC to DC power supply, state-regulated incandescent reflector*  
18 *lamp, torchiere, traffic signal module, automatic commercial ice cube machine, metal halide lamp fix-*  
19 *ture, unit heater,]* bottle-type water dispenser, commercial hot food holding cabinet, compact audio  
20 product, digital versatile disc player, digital versatile disc recorder, portable electric spa, [*walk-in*  
21 *refrigerator, walk-in freezer,]* television, inductive charger system, large battery charger system,  
22 small battery charger system, [*or*] high light output double-ended quartz halogen lamp, **high color-**  
23 **rendering index fluorescent lamp, computer, computer monitor, commercial fryer, commer-**  
24 **cial steam cooker, commercial dishwasher or residential ventilation fan** for compensation  
25 unless the energy efficiency of the new product meets or exceeds the minimum energy efficiency  
26 standards specified in ORS 469.233.

27 “(2) A person may install a new product not meeting efficiency standards specified in subsection  
28 (1) of this section if the product is:

29 “(a) Installed in a mobile or manufactured home at the time of construction; or

30 “(b) Designed expressly for installation and use in recreational vehicles.”.

31 On page 18, delete lines 25 through 32 and insert:

32 “(3) Notwithstanding ORS 469.229 and 469.233 and the requirements of subsection (2) of this  
33 section, and after consultation with the appropriate advisory boards to the Department of Consumer  
34 and Business Services, the director may adopt rules to update the minimum energy efficiency stan-  
35 dards or test methods specified in ORS 469.233 to a more recent version, including any product de-

1 finitions associated with the standard or test method, if the director determines that the standard  
2 or test method needs to be updated to maintain or improve consistency with other comparable  
3 standards in other states. Rules adopted under this subsection shall take effect on or after the ef-  
4 fective date of a similar standard or test method adopted by another state.”.
