2 the board to complete two hours every two years or three hours every three years of con-  
3 tinuing education related to suicide risk assessment, treatment and management and report  
4 to the authority or the board the licensee’s completion of the continuing education described  
5 in this subsection. The authority and the board shall ensure that the timelines for com-  
6 pletion of the continuing education align with the licensee’s professional authorization issu-  
7 ance and renewal timelines.

8       “(b) The authority and a board shall approve continuing education opportunities that are  
9 applicable and relevant to the licensees regulated by the authority or the board. A board may  
10 encourage a licensee regulated by the board to complete continuing education opportunities  
11 recommended by the authority.

12       “(3) A licensee shall report the completion of the continuing education described in sub-  
13 section (2) of this section to the board that regulates the licensee or to the authority if the  
14 licensee is a professional listed in subsection (1)(b)(G) of this section.

15       “(4)(a) The authority and a board shall document completion of the continuing education  
16 described in subsection (2) of this section by a licensee regulated by the authority or a board.

17       “(b) In consultation with the authority, a board shall adopt rules requiring licensees to  
18 submit documentation of completion to the board.

19       “(c) The authority shall adopt rules requiring licensees regulated by the authority to  
20 submit documentation of completion to the authority.

21       “(5) The authority and a board may adopt rules to:

22       “(a) Identify the experience and training that a licensee regulated by the authority or the  
23 board must have in order to be exempt from the requirements of subsection (2) of this sec-  
24 tion.

25       “(b) Allow the concurrent completion of continuing education described in subsection (2)  
26 of this section with continuing education opportunities related to professional ethics or cul-  
27 tural competency if the opportunities also provide the continuing education described in  
28 subsection (2) of this section.

29       “(6) A board, on or before March 1 of each odd-numbered year, shall report to the au-  
30 thority on the information described in subsection (4) of this section, as well as information  
31 about the implementation of the continuing education described in subsection (2) of this  
32 section.

33       “(7) The authority, on or before August 1 of each odd-numbered year, shall report to the  
34 interim committees of the Legislative Assembly related to health care on the information  
35 submitted to the authority under subsection (6) of this section and information collected by  
36 the authority under subsection (4) of this section. The authority shall remove any personally  
37 identifiable information collected by or submitted to the authority under subsection (4) or (6)  
38 of this section.

39       “(8) The authority may use the information collected by the authority under subsection  
40 (4) of this section in conjunction with the information described in ORS 676.860 to facilitate  
41 improvements in suicide risk assessment, treatment and management efforts in this state.

42       “(9)(a) The authority and a board may adopt rules to carry out this section.

43       “(b) The authority may adopt rules to define and regulate the professions listed in sub-  
44 section (1)(b)(G) of this section.

30 “(2) In collaboration with the Oregon Health Authority, a board shall adopt rules to require a  
31 licensee regulated by the board to report to the board, upon reauthorization to practice, the  
32 licensee’s completion of any continuing education regarding suicide risk assessment, treatment and  
33 management.  
34 “(3) A licensee shall report the completion of any continuing education described in subsection  
35 (2) of this section to the board that regulates the licensee.  
36 “(4)(a) A board shall document completion of any continuing education described in subsection  
37 (2) of this section by a licensee regulated by the board. The board shall document the following data:  
38 “(A) The number of licensees who complete continuing education described in subsection (2) of  
39 this section;  
40 “(B) The percentage of the total of all licensees who complete the continuing education;  
41 “(C) The counties in which licensees who complete the continuing education practice; and  
42 “(D) The contact information for licensees willing to share information about suicide risk as-  
43 sessment, treatment and management with the authority.  
44 “(b) The board shall remove any personally [*identifying*] **identifiable** information from the data  
45 submitted to the board under this subsection, except for the personally [*identifying*] **identifiable** in-

1 formation of licensees willing to share such information with the authority.

2 “(c) For purposes of documenting completion of continuing education under this subsection, a  
3 board may adopt rules requiring licensees to submit documentation of completion to the board.

4 “(5) A board, on or before March 1 of each even-numbered year, shall report to the authority  
5 on the data documented under subsection (4) of this section, as well as information about any initi-  
6 atives by the board to promote suicide risk assessment, treatment and management among its  
7 licensees.

8 “(6) The authority, on or before August 1 of each even-numbered year, shall report to the in-  
9 terim committees of the Legislative Assembly related to health care on the information submitted  
10 to the authority under subsection (5) of this section. The authority shall include in the report in-  
11 formation about initiatives by boards to promote awareness about suicide risk assessment, treatment  
12 and management and information on how boards are promoting continuing education described in  
13 subsection (2) of this section to licensees.

14 “(7) The authority may use the information submitted to the authority under subsection (5) of  
15 this section to develop continuing education opportunities related to suicide risk assessment, treat-  
16 ment and management for licensees and to facilitate improvements in suicide risk assessment,  
17 treatment and management efforts in this state.
